

## MEMORIAL SERVICE

*By Chuck Kaczmarczyk*

The Spectre Association Memorial Service was held at the Hurlburt Field Memorial Airpark after the Spectre Association business meeting on Saturday, October 11, 2008. Although it was difficult to guess actual attendance, the number of people to show their respect was heartwarming. The ceremony began by the posting of

the colors by the Hurlburt Field Honor Guard. The Hurlburt Field Chaplain offered remarks regarding the sacrifice of those that had gone before us, those that served with us, and those that are serving in harm's way today. The Memorial Service was ended as Board Members Chuck Kaczmarczyk and Kim Coryat read the names of all fallen Spectre heroes who died in combat operations and included our departed members who have died

in peacetime. The Spectre Association will continue to remind us all that...**All gave some...some gave All.**
